Do you know? That Resources for Child Caring is looking for FFN providers?

Family, Friend, or Neighbor (FFN) is someone who cares for a family, friend, or neighbor's child. Even if you are paid or unpaid you are part of the FFN group. Your role in the children's life is a key. Getting children ready for school success, and being a ongoing part in their life. There are currently three Play & Learn sites within your community that you can take part in. There is no cost or registration required to attend.

Home visits are also available to those that would like a more one on one approach. You can also receive learning material to help prepare the child for kindergarten. There are grants assistance available as well.

For more information contact Theresa Fountain at Resources for Child Caring 651-641-6610
