CHILD DEVELOPMENT ASSOCIATE (CDA) NEWS

If you are interested in the Child Development Associate (CDA) credential, the classes at Resources for Child Caring will meet the CDA training requirements. Besides consultation and guidance, as part of the Businesswise project, and funding through the Minnesota Department of Human Services, CDA participants may receive a copy of the CDA Prep Guide: The Complete Review Manual for the Child Development Associate and the CDA companion resource guide, customized for Minnesota.

For more information, consider attending one of the free classes being offered on CDA. You can also contact our career guidance coordinator, Claudia Freund, at 651-641-6653.

NEW COHORTS STARTING FOR PARENT AWARE

The **Parent Aware Rating Tool** is built upon the understanding that providing high-quality child care and early learning are not easy tasks and the pressures placed on our providers are many. The rating tool is designed to recognize early educators for the quality of care they deliver and build on this quality by supporting their efforts at program improvement.

Bringing together the latest research on children's learning and the current needs of our community, the Parent Aware Rating Tool will build upon the good work completed by earlier quality rating system planning efforts.

Please contact Valerie Peterson at valeriep@mnchildcare.org or 651-290-9704, ext. 107 for more information or to register for a program orientation, or visit <http://www.parentawareratings.org/about.html>
